

FOR IMMEDIATE RELEASE

**Front Range Airport will hold the
4th Annual Classic Aircraft and Car Show and Prostate Screening**

The Front Range Airport 4th Annual Classic Aircraft and Car Show to be held in recognition of Prostate Cancer Awareness with Free Prostate Screenings to all who choose.

Watkins, CO, September 6, 2008- Front Range Airport will hold the 4th Annual Classic Aircraft and Car Show at the airport this September 6, 2008 9 a.m.- 3 p.m. in recognition of Prostate Cancer Awareness. This is a free event and open to the public. This year's event will feature over 500 Classic and Vintage Aircraft, Classic and Custom Cars, Motorcycles, and Fire Trucks.

Aircraft will include classic and vintage craft such as WWII Warbirds, biplanes, racing planes and classic jets. Classic cars will be proudly displayed from local, metro, eastern 1-70 corridor and statewide car clubs and organizations. If you love Mustangs, Ferraris, Porches, vintage, and custom automobiles, fire trucks, motorcycles and more... Don't miss the action!

Painless prostate screenings will be offered for a limited time during the event by The Urology Center of Colorado and will be free to attendees.

Admission to the Classic Aircraft and Car Show is FREE.
